Special COVID-19 Wellness Edition

Celebrating National Nurses and Hospital Weeks

The Department of Radiology recently held several staff appreciation lunches filled with diverse, freshly made, and individually packaged meals, pastry, cake, and other sweet treats, and soft drinks in honor of National Nurses Week (May 6-12) and National Hospital Week (May 10-16).

Our generous sponsors, who wished to recognize all of our onsite technicians, nurses, and staff, included our section chiefs and radiologists, the Russian Jewish Community Foundation of Boston in partnership with Diana Litmanovich, MD, and Ms. Anya Kitisis, who personally baked and donated sweets for our nurses, Bazaar on Beacon Street, and Pipe Dream Cupcakes. Thank you all for your thoughtful and delicious contributions!

Awards, Honors & Kudos

Damir Ljuboja, MBA—MD Candidate, Harvard Medical School (HMS), has successfully defended his thesis, "Time-Driven Activity-Based Costing in Interventional Radiology: Cost Measurement and Cost Variability for Hepatocellular Carcinoma Treatments."

According to HMS, Damir's work represents a major scholarly contribution in his field. In a few weeks, he will receive his MD with Honors in a Special Field, Magna Cum Laude, which is earned by just a few medical students each year.

Please join us in congratulating Damir, who has studied Interventional Radiology economics under the mentorship of Ammar Sarwar, MD, IR Faculty, on his incredible achievements, and wishing him continued success in the future!

In addition to our pet photo contest entries, we also received this sweet motivational photo and caption from Rachel Tassoni in Ultrasound:

To say thank you to all of us working in this crazy time, my parents had a photoshoot with our dog, Freddie. All of my coworkers in Ultrasound love hearing stories about Freddie, so my parents wanted the message to come from him.

Thank you to Freddie and the Tassoni family for keeping our spirits up!
