Special COVID-19 Wellness Edition

4th Annual Morris Simon, MD, Research Day Is This Thursday, May 28!

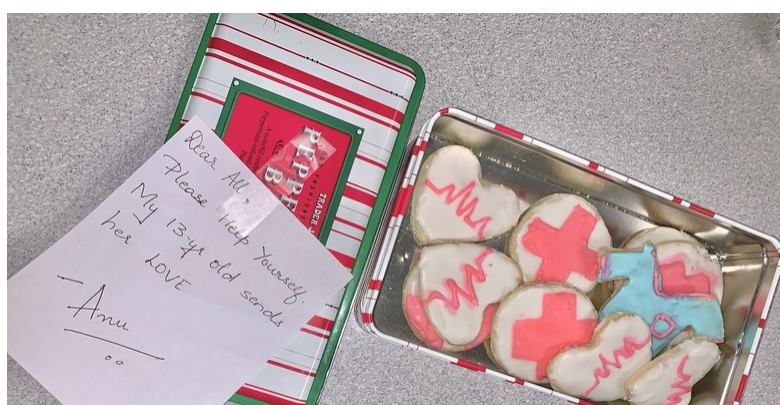

All members of the Department of Radiology are invited to attend our 4th Annual Morris Simon, MD, Research Day this Thursday, May 28, from 4-7:15 p.m. This will be a virtual event with a GoToWebinar link and instructions.

This annual event celebrates the research efforts of our entire department and you can expect an exciting program of research awards, presentations, and discoveries. This year's program and posters are now available on our "News & Events" Portal page. Stay tuned for a special research edition of *The Inside View* the day after the event!

Staff Spotlights

A Sugary Sweet Surprise

Dr. Anu Shenoy-Bhangle's 13-year-old daughter sent her love to our Ultrasound team in the form of homemade cookies she baked and decorated herself! As you can see from the photo below, she put a lot of time into these beautiful cookies. Our team was so *grateFULL* and impressed with not only her baking and decorating skills but her kindness as well. They wanted to show her their thanks and appreciation for her thoughtfulness by including her in our newsletter!
