take these new reins by week's end, and I'd first like to express my deep appreciation to **Jim Rawson** for stepping up so effectively as Interim Section Chief of Abdominal Imaging during a particularly challenging time.

I am enormously grateful to Jim for his exceptional leadership and partnership

and for introducing many innovative and necessary operational changes and enhancements at the section level in the new era of COVID-19. Jim will work with Olga to transition the section operations and career advancement portfolio, which will finally give Jim the time and opportunity to deservedly serve as our 2020 AUR President, amongst his many local and national leadership roles. Thank you so much, Jim.

date, is actively involved and nationally recognized in many professional societies, including RSNA, ESGAR, SABI (formerly SCBTMR), SIR, ACR, and SAR, and maintains leadership roles in quality and safety and cross-sectional interventional procedures. She is also an associate editor of Abdominal Radiology and a board member for JCAT. We all will look forward to Olga leading our clinical, research, and educational missions in abdominal radiology, and I am particularly proud to welcome a former trainee to this leadership position. I am also delighted that Olga will be bringing her renowned expertise in outcomes engineering, quality and

Please join me in congratulating Olga on this much-deserved appointment and in thanking Jim for all that he has done for us by serving as our Interim Section Chief of Abdominal Imaging. Sincerely, Jonny
